

The Metroport Chamber hosts a variety of programs and events. Networking is an element that runs through every special event and activity. In addition to networking, several programs provide opportunities for professional development and leadership training. Our signature events are designed for large-draw audiences that also appeal to the community at-large. Attending programs and getting involved is a great way to grow your contact list and your business.

SIGNATURE EVENTS

MetroportChamber.org/awards

The Chamber honors outstanding Members whose efforts support the Chamber and the community.

MetroportChamber.org/adf
