

2019-2020 Sponsorship Opportunities

NW Metroport Chamber of Commerce offers a unique leadership program with the goal of developing region-minded leaders for our area. Our foundation of seven communities provides the opportunity for synergy and big-picture problem solving. By working together, we can anticipate and address the current and future needs of our region.

Relationships Build Businesses Build Communities Build the Region!

Participants learn leadership skills and develop key relationships with business and community leaders. Students also gain a better understanding of how our communities work, the needs of our region and the opportunities available.

Sponsorship Benefits-

1. Logo on Session Agenda & Thank You page, with contact info, in student packet
2. 5 minute presentation to the class, day of session
3. Market table at session venue, with marketing materials for students (where applicable)
4. Bus signage (where applicable)
5. Logo Table Tents at podium, sign in station, buffet (as applicable)
